Super Spray Bracket  
92896

Nozzle  
795146

Spray Plate  
88000

**Complete Super Sprays**

Includes nozzle; specify desired size.

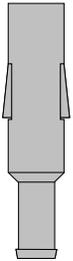

NI Part #	Description
92825	Complete Super Spray w/ Plate* and Nozzle

\* There are over 20 spray plates available for the super spray that suit a variety of applications.

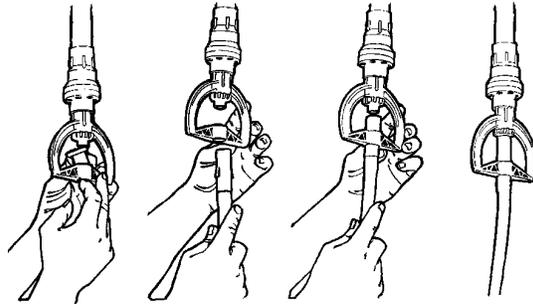

**Super Spray Options**

Hose drag adapters are also available as follows:

NI Part #	Description
110141	1/2" Drag Hose Adapter
11087	3/4" Drag Hose Adapter

The drag hose adapter and a drag sock allows water application directly into the furrow. The adapter snaps right into the Super Spray, replacing the deflector pad.
