

SPRAYS

Nelson R3000 Rotator® Pivot Sprinklers

*** Specify desired plate when ordering:**

- Blue – BLU
- Green – GRN
- Red – R
- Orange – OR
- Brown – BRN

- Greater throw radius. The wide water pattern from rotating streams equates to lower average application rates, longer soak time, and reduced runoff.
- High uniformity. Increased overlap from adjacent sprinklers improves uniformity.
- Reduced wind drift and evaporative loss.

Complete R3000 Pivot Rotators®

Includes nozzle; specify desired size.

NI Part #	Description
92894	Complete R3000 w/ Nozzle, Plate*, and 3/4" M NPT Adapter

R3000 Components

NI Part #	Description
11080	3000 Adapter 3/4" M NPT
795127	3TN Nozzle
92832	R3000/S3000 Body
88023	Rotor Plates*
92841	R3000 Cap/Motor

Nelson S3000 Spinner Pivot Sprinklers

*** Specify desired plate when ordering:**

- Red – R
- Purple – P
- Yellow – Y

- Gentle rain at low pressure.
- Utilizes a free-spinning action to produce a gentle, rain-like water pattern.
- Designed for more sensitive crops and soils.
- Superior uniformity with better overlap and lower application rates.
- Crop-guarded body for low energy, down in the crop application.

Complete S3000 Pivot Spinners

Includes nozzle; specify desired size.

NI Part #	Description
92897	Complete S3000 w/ Nozzle, Plate*, 3/4" M NPT Adapter
928116	Complete Part Circle PC-S3000 Includes: Motor, Plate*, Cap, Body Assembly, 3/4" M NPT Adapter, and Nozzle.
928136	Part Circle PC-S3000, less adapter & nozzle Includes: Motor, Plate*, Cap, Body Assembly. (Does not include the 3/4" M NPT adapter or nozzle.)

S3000 Components

NI Part #	Description
11080	3000 Adapter 3/4" M NPT
795127	3TN Nozzle
92832	S3000/R3000 Body
92844	Rotor Plates*
92840	S3000 Cap/Motor
